

The Annual Quality Assurance Report (AQAR) of the IQAC 2015-16

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. They are as under:

The college introduced common dress codes for students for B.Com Sem. I students from the academic year 2015-16 which will be a routine practice henceforth. This was introduced to develop a corporate culture and discipline. This practice has promoted better discipline on the campus.

The college started a novel practice of making final year students write Project Reports. The college started a novel practice of developing research orientation among students. According to this idea, the final year B.Com students were made to write project reports on different subjects or problems given to them and submit the same under the guidance of the lecturers concerned. The students worked as teams and submitted the project reports for which they were given merit certificates at the special function. This innovative practice has helped to promote research culture among students.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

Action plan was prepared to execute 52 programmes/ activities and 47 of the programmes/ activities were carried out.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

1. Introduction of dress code for B.Com students.
2. Novel practice of drafting and submission of project reports by B.Com final year students.

**Provide the details in annexure (annexure need to be numbered as i, ii,iii)*

7.4 Contribution to environmental awareness / protection

1. Celebration of Vanamahotsava by planting saplings.
2. Celebration of World bio-field day
3. Carrying out plastic free campaign on the campus
4. Participating in beach cleaning and other cleaning programmes organised by the district administration.

7.5 Whether environmental audit was conducted? Yes No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

We carry out Institutional SWOT analysis at the end of every academic year after the results of the even semesters. Based on the annual SWOT analysis and also the feedbacks from the different stakeholders, the annual action plan is prepared for the next academic year.

Our strengths are:

- Highly qualified, experienced and dedicated staff.
- Beautiful campus on the beach that inspires creativity and learning instincts.
- Enough learning resources.
- Active and encouraging management
- Effective committees for carrying out curricular and extra-curricular activities.
- Students centric programmes.
- Low entry level competency of students.
- Limited placements.
- Lack of auditorium.
- Lack of research and consultancy activities.

Our weaknesses are:

- Non approval/ non recruitment of non-teaching staff of the institution, by the government.
- More than 50% of non-teaching staff on temporary basis appointed by Management.
- Limited research activities

- Non-existence of large scale industries for industry linkage programmes.
- Very limited internal fund generation.

Opportunities are:

- Enhancement of infrastructural facilities and the construction of the first floor of the main building.
- Encouraging staff and students to undertake research activities
- Improving competency level of students by giving individual attention to each student, arranging bridge courses and remedial classes for slow learners.
- Seeking further support of the U.G.C., RUSA and Government for the development of the institution.

Threats

- Competition from 3 other Commerce Colleges in the city.
- Acute shortage of non-teaching staff.
- Finding land for the construction of the hostel because of limitation of CRZ Act.
- Expansion of the old National Highway into 4-lane highway that makes the institution to lose large part of its campus.
- Establishment of private and government women's college in the city.
