CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

As institution is affiliated to Karnatak University, Dharwad, it follows the curriculum designed and prescribed by the Karnatak University, Dharwad. Accordingly, the college prepares semester wise calendar of events in the beginning of both Odd & Even semesters and is given to all departmental heads for planning and effective and efficient delivery of the curricular. The college has made best efforts to develop action plans an implementation through conducting meeting with respective department faculty and HOD's. Every faculty maintains the academic dairy, in which he/she records the date, time, classdivision, syllabus taught, seminar, assignments, etc., and is monitor by the HOD. ICT based teaching with PPT, Video Clips etc, are used by the staff members for better understanding of the topic to the students. Supplying of syllabus to the students at beginning of academic session and identification of relevant textbooks for teachers and students with respect to relevant subjects. Conducting special classes who find difficulty in understanding concepts and bring them on par with rest of the class. Periodical meetings are conveyed at the departmental level by the head of department to ensure smooth conduct of teaching learning process. To encourage the low income students by providing free books facilities. To offer students with variety of career programs to

increase employability. Principal also conducts meetings at regular intervals to know the quantum of syllabus completed and time required for completing the remaining syllabus. Some of the faculty members of the college are also on the Board of Studies and Board of Examination of the University and they attend the meetings and give suggestions relating to enriching the curriculum. Special lectures and workshops are also organized regularly by inviting eminent personalities from academics, corporate sectors, banking sectors etc., to make the curriculum more application oriented. Staffs and students are deputed to attend the workshops, seminars/conferences to update and renew their knowledge with regard to curriculum.

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The institution has a college level examination committee. The exam committee takes the overall responsibility of conducting the Internal Assessment test, preparation of time table, question papers and seating arrangement declaration of IA test results. Internal assessment is the part of the academics, where marks are also allocated. Students also participate very actively in the assessment as they can obtain marks for it. Continuous assessment provides feedback on the efficiency of the teaching and learning process and leaning outcomes of the each course. This is in the form of assignment, internal test, seminar etc. the award of IA marks is the result of two written tests, assignments, attendance, skill development which are conducted as per university norms. Two internal tests of 20 marks will be conducted and the same is reduced to 10 marks, 05 marks for assignments, 05 marks for attendance will be allotted. As per the university calendar and events the institute is conducts academic activities among the students. Since it is inception the institute is taking all possible measures to improve the students as well as the teaching staff through such healthy practices, which goes a long way in excelling the reputation of the institution among the other institution and universities.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The college prepares academic calendar at the beginning of every semester and distribute it to all the departments. The institution at its level conducts the HOD's meeting where in the principal proposes for the preparation of calendar of events of each department. HOD's in due course takes initiative in conducting orientation/induction programs for the new incoming students. Where the information is passed authentically to the students regarding tests, assignment etc. This will help and support to HOD's of each department in preparations and executing the academic calendar of events ensuring the activities. The university mails the academic calendar of events for the year concerning to each course. The institution at its level conducts the HOD's meeting where in the principal suggests the students oriented programs and activities of each department. 5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

Students are the integral parts of the college. The purpose of the college itself is to serve the students. Hence students are given first priority and also to prepare the students to face the real world with greater confidence by inculcating the leadership quality, managerial skills, team spirit, social values etc,. Based on this the students representatives are elected. The electing is done by students itself, which is done with expert supervision of the principal and all the teaching faculties. From each class two class representatives are elected, one student to represent Gymkhana Secretary, one student to represent General Secretary, one student represent ladies representative. The student's involvement, suggestions and support are taken for the various committees wherever it is required. The committees are college union, Gymkhana, Cultural forum, Library, Ladies Association, NSS, Scouts Guides, Youth Red Cross Wing. The college provides ample of opportunities to the students to exhibit their hidden talents. The students representatives take active part by contributing their innovative inputs in designing, planning, budgeting and organizing activities of the college. Their active involvement helps them to shoulder the responsibility, develop the problem solving skills, create genuine interest and cultivate empathy, courage and integrity.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The institution has always believed in inclusive and participate management and decentralization of authority, which aims at healthy and constructive growth of the college by involving all the stake holder. The primary aim of the institution is to provide quality education to the rural students and make to them enable to lead a better life. For effective decentralization of functions various committees are been formulated. Each committee have co-ordinators and members. The senior most member of our department is consider to be the department head, wherein he/she as a head has to take care of the department in connection with various aspects like time table, allotment of classes, conducting internal assessment, online entry of marks etc. All the major and minor committees have co-ordinators who effectively carryout instructions of the principal. The role and responsibility of each faculty is briefed in the meeting by the principal and head of the department of the concerned subjects and are responsible for discharging the entire academic task assigned to them. Various committees are found for effective and efficient delivery of the curriculum and the authority the required to perform the given task is also delegated to the co-ordinators of the committee. The board of management, college governing body, principal, IQAC and faculty plays a vital role in the design and implementation of the plans and policies of the institution. The institutional policies are formulated and implemented as per the norms guidance and support of the management. The principal with the support and guidance of the college governing body implements the plans and policies of the institution efficiently effectively and smoothly. Thus, the management and college governing body play the role of facilitator and the principal and staffs plays the role of executors. The management delegates the authority to the principal, in turn the principal delegate the authority to the head of the department and administrative staff for efficient implementation of the college activities.

6.1.2 - Does the institution have a Management Information System (MIS)?

Partial

6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	Our college is affiliated to Karnatak University Dharwad. As our college is not autonomous we cannot do curriculum development fully. But never the less but partially our college tries to influence the curriculum development to the university to which it is affiliated. The faculty members

	contribute their views in framing the syllabus and have put forward their opinion about curriculum development.
Teaching and Learning	The institution follows learner centre education through appropriate methodology which facilitates effective learning. The institution follows a strategy of planning and organizing the teaching learning evaluation schedules the develop skills like interactive learning, collaborative learning, independent learning among the students. The ICT and other available facility are used by the faculty for effective teaching. Opportunities are given to the students and faculty to enhance the level of knowledge and skills. The institution creates the condition and atmosphere that helps th learner to acquire, apply and retain the knowledge.
Examination and Evaluation	As the institution is affiliated to Karnatak University, Dharwad it follow the semester examination schedule offered by the university. The college conduct two internal assessments for 2 marks each. The college examination committee plans and announce the time table for internal assessment in accordance with guidelines of the affiliated university. The examination committee collect the question papers and conducts the exams in a systematic disciplined and transparent manner. Th teachers complete the evaluation process and submit the marks list. On the bases of the students performance attendance, submission of assignments seminars and their active participatic in curricular and co-curricular activities. Final internal assessment marks are assigned in all the subjects of the semester and the same is submitted to the university website.
Research and Development	There is a provision for research and development in under graduate level as well as in post graduate level. The faculties are given all the amenities to do research and development activities in the national and regiona levels.
Library, ICT and Physical Infrastructure / Instrumentation	The efficiency of our institution is tremendously influenced by the quality service provided by our college. Our college library is equipped with huge resources. It is providing all the

		<pre>support facilities to the faculty and students in developing their knowledge and skills. The library uses e-library software which has a collection books, journals, competition examination books and free internet with wi-fi facility. The goal of management is to provide quality education. To achieve this, management has provided necessary infrastructure and add to the infrastructure on need base to facilitate effective teaching learning process.</pre>
Human Resou	urce Management	In our institution, every employee is considered as a precious asset and special care is taken to tap the talent of every employee. Employees at all level are encouraged to improve their qualification, upgrade their knowledge and skills to bring out the potential. Our faculty members are encouraged to enhance their performance by participating in seminar, workshops and conferences. The necessary funds are provided along with duty leave to participate in faculty development programmes. For students the college conducts soft skill development programmes, Multiple choice question etc. this will enable our students to excel in higher education and increase their employability.
Industry Interac	tion / Collaboration	Most of the college alumni are well known industrialist. The college invites these industrialists as a resource person who interacts with students and guides them on self employment and provide the necessary information to start a new venture. Thus, alumni industrialists are helping the institution in establishing institute industry interface.
Admission	n of Students	Admission is given as per the norms of the university. The college provides admission to the student's primarily on merit base and follow government rules for SC/ST/OBC and Minority section of the society. The admission process is given publicly through college website, news paper advertisements and social media. The college provides all the information about the course and facilities available through its prospectus and handbook. The students are supposed to pay the fees mentioned by the college and also on the bases of category to which they belong.

Our college has several best practices. At the beginning of the college, the principal nominates class mentor whose duty is to maintain the student's details like profile of the students of both personal and academic details and also maintain regular contact with the students so as to solve any grievances regarding college matters. To celebrate the national heroes on occasion of their birth anniversary by conducting a competition based on the event and also exhibition of books. Parents meetings are conducted regularly and feedbacks are taken, based on their opined college can be improved. The research committee makes various groups for final year students and allot each project work to each group. Various committees are formed such as, time table committee, examination committee, discipline committee, UGC committee, cultural committee, IQAC committee, NSS committee, Library Advisory Committee etc., which are all headed by principal of the college. Every year auditing is done by trust and local authorised auditor. There is CCTV cameras in all the class rooms, based on this there is transparency regarding the conducting of the classes. The college has been providing scholarship facility for meritorious and poor students every year. College has ICT facilities in each class rooms which is useful in enhancing virtual communication, in better and clear understanding concepts, to create interest in learning, to make learning attractive and impressive, to save time in delivering information. It also boosts self-esteem and self confidence of the students. The use of ICT in teaching and learning has witnessed significant change in the learning outcome of the students. The teachers too have been benefited to a large extent in providing a comprehensive idea of the subject. The institution practices ICT through the following ways like, Use of Laptops, Smart boards and projectors in the class rooms.
