

## 4.3 I T Infrastructure

### 4.3.1 Institution frequently updates its IT facilities including Wi-Fi

#### Response:

The college has positively integrated ultra modern IT methods and is looking forward to the complete automation of the daily activities of the college. Academic administrative and admission process are integrated with IT to become the process more easy, efficient and transparent.

- The IT infrastructure of the college comprises 50 computers connected with LAN and internet. And 6 laptops.
- The college library is partially automated with **e-Lib** software.
- Library has the subscription of **e-books and e-journals** via INFLIBNE N-LIST.
- High speed internet facility.
- Advanced video conferencing facility.
- WhatsApp group for students for updating class periods, notice and other important events.
- Campus having high speed wi-fi facility.
- Learning management system Google Classroom and youtube.
- Biometric and fingerprint entry.
