6.5 Internal Quality Assurance System

6.5.1 Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes.

Divekar College of Commerce IQAC was formed in 2004 during the first NAAC visit. The process of quality enhancement and sustainable development was began through different strategies. The cell is functioning, planning and executing pro-student activities working on to magnify the quality culture in its all spheres of the college activities by channelized efforts towards promoting holistic academic excellence. IQAC prepares perspective plan of development for the college and execute it in a strategic plan of every year.

The IQAC monitors the implementation of vision and mission of the college It has been trying to institutionalize number of quality assurance strategies such as digitization of academic and administration facilities, gender equality, strengthening extension activities etc. The IQAC takes care of the all-round personality development of the students by providing the best of academic, sports and cultural activities.

Approach to quality strategies, Monitoring the standard and outreach programmes of the departments of the college, introducing best practices, introducing quality initiatives like accreditation, consultancy, collaboration, attendance, feedback analysis, initiative toward patent filing and incubation centre, internal promotion guidance, research quality enhancement etc. Organising workshops and seminars, encouraging professional standard with more elaborate to research in teaching, Ensuring teachers, students and alumnus participation, Evaluating curricular and co-curricular activities

Practice I

Clean and Green campus

- It has been observed by the people that nature has been changing itself very tremendously as we are responsible for this change To ensure the sincerity of the students regarding the values of trees & plants.
- Our efforts of plantation work provoke the heart of the students and inspired them to go quickly on the path of plantation for the balance of the nature & up-gradation of environment.
- As the result of the programme more number of students is participating in plantation work. The college has been maintaining separate area for the medicinal plant, flower plant, coconut and other trees.
- As the result of this practice now college nature has become eco-friendly and green campus.

Practice II

Prizes to meritorious students

This practice is for promoting the students to have excellent performance in University Examinations and competitions. In this context, the college has been

doing the practice of giving prizes to the meritorious students. It promotes meritorious students by providing financial support to exhibit their knowledge and talent in their academic year.

- Under this scheme college teaching staff gives Rs. 500/- each for those students secured 100 out of 100 in each subject.
- The retired employees of the college has been providing, memorial cash prize" for securing highest marks among boys and girls.
- The alumni also contribute cash prize for securing highest marks in a different subject.
- The impact of this practice is tremendous and the slow learners are definitely inspired by the meritorious students" academic achievements. Few students who had less percentage at H.S.C. level are being motivated by this scheme & have remarkable improvement in their academics.
