About K.W.T Ankola.

It was way back in 1953, that the Kanara Welfare Trust made a tryst with destiny. We are proud that Kanara Welfare Trust has completed 68 years of its useful and fruitful existence. Founder Chairman late Dr. Dinkar Desai wrote in one of his epigrams-

The message of the Trust is very clear. Service is endless. Kanara Welfare Trust is nothing but humanism of Dr. Dinkar Desai personified. Thousands of beneficiaries of the trust living in different places of the District and also outside look up to it with a deep sense of gratitude and wish.

Magnificent buildings, laboratories, libraries, and beautiful gardens hold out proof of the development and activities of the Trust. It should be remembered that the Trust is something more than a collection of bricks and stones. It is a living and growing organisation. Thousands of well-wishers, philanthropic donors, admirers and not to speak of countless beneficiaries constitute this mighty organisation.

By and large, Kanara Welfare Trust has been able to achieve what is contained in the preamble. Observing the manifold activities of the Trust an eminent person exclaimed, "The Trust by its significant service has almost established a University in the District of North Kanara". Today we have a network of Institutions all over the District. It has to its credit 45 Institutions – 3 Degree colleges, 2 PG Centres, 7 Junior Colleges, 17 High Schools, and other Social Service Institutions. It was started with a

meagre amount of Rs.6000/- collected by the Raith Community and now the assets are more than 15 crores excluding the land. The family of the Trust is growing day by day and there has been a significant increase in the number of students. Total enrolment is about 12000. All these have been possible because of the careful and judicious management of the Trust.

About DCC Karwar:

Divekar College of Commerce grew by leaps and bounds since its inception. Beginning with a modest strength of 150 students, the college had the composite strength of more than 700 students for over two decades before it was bifurcated into Pre-University and Degree Colleges in 2001-02. The College was run in a private building at the beginning. The foundation stone for an independent college building and campus was laid on a five-acre plot in 1971. The KWT built a simple but magnificent building within a year. Since then the college has been achieving all-round progress. Prof. G. V. Bhat, the founder principal of the college dedicated his mind and body, heart, and soul for the establishment and development of the college. The College could have a deep and far-reaching image under his able leadership – both academic and organizational. Prin. G. V. Bhat was assisted ably by Prof. S. N. Nayak who became the principal of the college after the retirement of Prin. G. V. Bhat in 1994. The College management has provided adequate infrastructural facilities such as an independent library building, auditorium, playground, canteen building, principal's quarters, the guest house, etc and maintained the policy of non – interference in the day – to – day academic administration. Shri. S. P. Kamat, an eminent lawyer, noted philanthropist and educationist, managing or associated with many educational and social service organizations is the Chairman of the KWT and also the Governing Body of the college. Shri. S. P. Kamat the Chairman has been a source of inspiration for the staff and students for the constant pursuit of excellence. He keeps visiting the college and enlightening students with his vision and ideas.
