About K.W.T. Ankola.

It was way back in 1953, that the Kanara Welfare Trust made a tryst with destiny. We are proud that Kanara Welfare Trust has completed 64 years of its useful and fruitful existence. Founder Chairman late Dr.Dinkar Desai wrote in one of his epigrams -garland comprising these schools."

The message of the Trust is very clear Service is endless. Kanara Welfare Trust is nothing but humanism of Dr.Dinkar Desai personified. Thousands of beneficiaries of the trust living in different places of the District and also outside look up to it with a deep sense of gratitude and wish.

Magnificent buildings, laboratories, libraries, and beautiful gardens hold out proof of the development and activities of the Trust. It should be remembered that the Trust is something more than a collection of bricks and stones. It is a living and growing organisation. Thousands of well-wishers, philanthropic donors, admirers and not to speak of countless beneficiaries constitute this mighty organisation.

By and large, Kanara Welfare Trust has been able to achieve what is contained in the preamble. Observing the manifold activities of the Trust an eminent person exclaimed, "The Trust by its significant service has almost established a University in the District of North Kanara". Today we have a network of Institutions all over the District. It has to its credit 45 Institutions - 3 Degree colleges, 2 PG Centres, 7 Junior Colleges, 17 High Schools, and other

Social Service Institutions. It was started with a meager amount of Rs.6000/- collected by the Raith Community and now the assets are more than 15 crores excluding the land. The family of the Trust is growing day by day and there has been a significant increase in the number of students. Total enrolment is about 12000. All these have been possible because of the careful and judicious management of the Trust.

About Divekar College of Commerce, Karwar

Divekar College of Commerce grew by leaps and bounds since its inception. Beginning with a modest strength of 150 students, the college had the composite strength of more than 700 students for over two decades before it was bifurcated into Pre-University and Degree Colleges in 2001-02. The College was run in a private building at the beginning. The foundation stone for an independent college building and campus was laid on a five-acre plot in 1971. The KWT built a simple but magnificent building within a year. Since then the college has been achieving all-round progress. Prof. G. V. Bhat, the founder principal of the college dedicated his mind and body, heart, and soul for the establishment and development of the college. The College could have a deep and far-reaching image under his able leadership – both academic and organizational. Prin. G. V. Bhat was assisted ably by Prof. S. N. Nayak who became the principal of the college after the retirement of Prin. G. V. Bhat in 1994. The College management has provided adequate infrastructural facilities such as an independent library building, auditorium, playground, canteen building, principal's quarters, the guest house, etc and maintained the policy of non – interference in the day – to – day academic administration. Shri. S. P. Kamat, an eminent lawyer, noted philanthropist and educationist, managing or associated with many educational and social service organizations is the Chairman of the KWT and also the Governing Body of the college. KANARA WELFARE TRUST's DIVEKAR COLLEGE OF COMMERCE, KARWAR

DAYASAGAR EDUCATION SOCIETY's (R) (DIVISION) ST. MOTHER TERESA FREE FOOD FOR THE HUNGER SERVICES, KARWAR henceforth called as ST. MOTHER TERESA FREE FOOD FOR THE HUNGER SERVICES, KARWAR and KANARA WELFARE TRUST's DIVEKAR COLLEGE OF COMMERCE, KARWAR henceforth called as K.W.T. D.C.C., KARWAR desire to promote mutual interest in the fields of

Social Service

Providing Free Food to the Hungers

About K.W.T Ankola.

It was way back in 1953, that the Kanara Welfare Trust made a tryst with destiny. We are proud that Kanara Welfare Trust has completed 68 years of its useful and fruitful existence. Founder Chairman late Dr. Dinkar Desai wrote in one of his epigrams-

The message of the Trust is very clear. Service is endless. Kanara Welfare Trust is nothing but humanism of Dr. Dinkar Desai personified. Thousands of beneficiaries of the trust living in different places of the District and also outside look up to it with a deep sense of gratitude and wish.

Magnificent buildings, laboratories, libraries, and beautiful gardens hold out proof of the development and activities of the Trust. It should be remembered that the Trust is something more than a collection of bricks and stones. It is a living and growing organisation. Thousands of well-wishers, philanthropic donors, admirers and not to speak of countless beneficiaries constitute this mighty organisation.

By and large, Kanara Welfare Trust has been able to achieve what is contained in the preamble. Observing the manifold activities of the Trust an eminent person exclaimed, "The Trust by its significant service has almost established a University in the District of North Kanara". Today we have a network of Institutions all over the District. It has to its credit 45 Institutions - 3 Degree colleges, 2 PG Centres, 7 Junior Colleges, 17 High Schools, and other Social Service Institutions. It was started with a

meagre amount of Rs.6000/- collected by the Raith Community and now the assets are more than 15 crores excluding the land. The family of the Trust is growing day by day and there has been a significant increase in the number of students. Total enrolment is about 12000. All these have been possible because of the careful and judicious management of the Trust.

About DCC Karwar:

Divekar College of Commerce grew by leaps and bounds since its inception. Beginning with a modest strength of 150 students, the college had the composite strength of more than 700 students for over two decades before it was bifurcated into Pre-University and Degree Colleges in 2001-02. The College was run in a private building at the beginning. The foundation stone for an independent college building and campus was laid on a five-acre plot in 1971. The KWT built a simple but magnificent building within a year. Since then the college has been achieving all-round progress. Prof. G. V. Bhat, the founder principal of the college dedicated his mind and body, heart, and soul for the establishment and development of the college. About K.W.T Ankola.

It was way back in 1953, that the Kanara Welfare Trust made a tryst with destiny. We are proud that Kanara Welfare Trust has completed 68 years of its useful and fruitful existence. Founder Chairman late Dr. Dinkar Desai wrote in one of his epigrams.

The message of the Trust is very clear. Service is endless. Kanara Welfare Trust is nothing but humanism of Dr. Dinkar Desai personified. Thousands of beneficiaries of the trust living in different places of the District and also outside look up to it with a deep sense of gratitude and wish.

Magnificent buildings, laboratories, libraries, and beautiful gardens hold out proof of the development and activities of the Trust. It should be remembered that the Trust is something more than a collection of bricks and stones. It is a living and growing

organisation. Thousands of well-wishers, philanthropic donors, admirers and not to speak of countless beneficiaries constitute this mighty organisation.

By and large, Kanara Welfare Trust has been able to achieve what is contained in the preamble. Observing the manifold activities of the Trust an eminent person exclaimed, "The Trust by its significant service has almost established a University in the District of North Kanara". Today we have a network of Institutions all over the District. It has to its credit 45 Institutions - 3 Degree colleges, 2 PG Centres, 7 Junior Colleges, 17 High Schools, and other Social Service Institutions. It was started with a meagre amount of Rs.6000/- collected by the Raith Community and now the assets are more than 15 crores excluding the land. The family of the Trust is growing day by day and there has been a significant increase in the number of students. Total enrolment is about 12000. All these have been possible because of the careful and judicious management of the Trust.

About DCC Karwar:

Divekar College of Commerce grew by leaps and bounds since its inception. Beginning with a modest strength of 150 students, the college had the composite strength of more than 700 students for over two decades before it was bifurcated into Pre-University and Degree Colleges in 2001-02. The College was run in a private building at the beginning. The foundation stone for an independent college building and campus was laid on a five-acre plot in 1971. The KWT built a simple but magnificent building within a year. Since then the college has been achieving all-round progress. Prof. G. V. Bhat, the founder principal of the college dedicated his mind and body, heart, and soul for the establishment and development of the college. About K.W.T., Ankola.

It was way back in 1953, that the Kanara Welfare Trust made a tryst with destiny. We are proud that Kanara Welfare Trust has completed 68 years of its useful and fruitful existence. Founder Chairman late Dr. Dinkar Desai wrote in one of his epigrams-

The message of the Trust is very clear. Service is endless. Kanara Welfare Trust is nothing but humanism of Dr. Dinkar Desai personified. Thousands of beneficiaries of the trust living in different places of the District and also outside look up to it with a deep sense of gratitude and wish.

Magnificent buildings, laboratories, libraries, and beautiful gardens hold out proof of the development and activities of the Trust. It should be remembered that the Trust is something more than a collection of bricks and stones. It is a living and growing organisation. Thousands of well-wishers, philanthropic donors, admirers and not to speak of countless beneficiaries constitute this mighty organisation.

By and large, Kanara Welfare Trust has been able to achieve what is contained in the preamble. Observing the manifold activities of the Trust an eminent person exclaimed, "The Trust by its significant service has almost established a University in the District of North Kanara". by day and there has been a significant increase in the number of students. Total enrolment is about 12000. All these have been possible because of the careful and judicious management of the Trust.

About DCC Karwar:

Divekar College of Commerce grew by leaps and bounds since its inception. Beginning with a modest strength of 150 students, the college had the composite strength of more than 700 students for over two decades before it was bifurcated into Pre-University and Degree Colleges in 2001-02. The College was run in a private building at the beginning. The foundation stone for an independent college building and campus was laid on a five-acre plot in 1971. The KWT built a simple but magnificent building within a year. Since then the college has been achieving all-round progress. Prof. G. V. Bhat, the founder principal of the college dedicated his mind and body, heart, and soul for the establishment and development of the college. The College could have a deep and far-reaching image under his able leadership – both academic and organizational. Prin. G. V. Bhat was assisted ably by Prof. S. N. Nayak who became the principal of the college after the retirement of Prin. G. V. Bhat in 1994. The College management has provided adequate infrastructural facilities such as an independent library building, auditorium, playground, canteen building, principal's quarters, the guest house, etc and maintained the policy of non - interference in the day - to - day academic administration. Shri. S. P. Kamat, an eminent lawyer, noted philanthropist and educationist, managing or associated with many educational and social service organizations is the Chairman of the KWT and also the Governing Body of the college. About K.W.T Ankola.

It was way back in 1953, that the Kanara Welfare Trust made a tryst with destiny. We are proud that Kanara Welfare Trust has completed 68 years of its useful and fruitful existence. Founder Chairman late Dr. Dinkar Desai wrote in one of his epigrams.

The message of the Trust is very clear. Service is endless. Kanara Welfare Trust is nothing but humanism of Dr. Dinkar Desai personified. Thousands of beneficiaries of the trust living in different places of the District and also outside look up to it with a deep sense of gratitude and wish.

Magnificent buildings, laboratories, libraries, and beautiful gardens hold out proof of the development and activities of the Trust. It should be remembered that the Trust is something more than a collection of bricks and stones. It is a living and growing

organisation. Thousands of well-wishers, philanthropic donors, admirers and not to speak of countless beneficiaries constitute this mighty organisation.

By and large, Kanara Welfare Trust has been able to achieve what is contained in the preamble. Observing the manifold activities of the Trust an eminent person exclaimed, "The Trust by its significant service has almost established a University in the District of North Kanara". Today we have a network of Institutions all over the District. It has to its credit 45 Institutions - 3 Degree colleges, 2 PG Centres, 7 Junior Colleges, 17 High Schools, and other Social Service Institutions. It was started with a meagre amount of Rs.6000/- collected by the Raith Community and now the assets are more than 15 crores excluding the land. The family of the Trust is growing day by day and there has been a significant increase in the number of students. Total enrolment is about 12000. All these have been possible because of the careful and judicious management of the Trust.

Annexure 2: Methodology for Calculating Overall Attendance of the Batch

The steps and formula for calculating overall attendance are as under.

1. **Enrollment:** Number of students who have registered and paid fees for CPBFI
2. **Drop-outs:** Number of students who stopped attending CPBFI during the batch
3. **Regular students:** Enrollment minus Drop Out
4. **Total available student days:** Number of regular students multiplied by total duration of CPBFI (number of days. E.g. 40 days)
5. **Actual student days:** Sum of days attended by each regular student.
6. **Overall attendance (%) = Actual Student Days / Available Student Days X 100**

Out of the 40 regular students – 10 attended every class, 15 attended for 35 days, 10 attended for 33 days and 5 attended by 30 days. Overall attendance will be calculated as under.

Enrollment: 43

Drop-out: 3

Available days: 40 X 40 i.e. 1600

Actual days: $(10 \times 40) + (15 \times 35) + (10 \times 33) + (5 \times 30) = 400 + 525 + 330 + 150 = 1405$

that the Trust is something more than a collection of bricks and stones. It is a living and growing organisation. Thousands of well-wishers, philanthropic donors, admirers and not to speak of countless beneficiaries constitute this mighty organisation.

By and large, Kanara Welfare Trust has been able to achieve what is contained in the preamble. Observing the manifold activities of the Trust an eminent person exclaimed, "The Trust by its significant service has almost established a University in the District of North Kanara". Today we have a network of Institutions all over the District. It has to its credit 45 Institutions - 3 Degree colleges, 2 PG Centres, 7 Junior Colleges, 17 High Schools, and other Social Service Institutions. It was started with a meagre amount of Rs.6000/- collected by the Raith Community and now the assets are more than 15 crores excluding the land. The family of the Trust is growing day by day and there has been a significant increase in the number of students. Total enrolment is about 12000. All these have been possible because of the careful and judicious management of the Trust.

About DCC Karwar:

Divekar College of Commerce grew by leaps and bounds since its inception. Beginning with a modest strength of 150 students, the college had the composite strength of more than 700 students for over two decades before it was bifurcated into Pre-University and Degree Colleges in 2001-02. The College was run in a private building at the beginning. The foundation stone for an independent college building and campus was laid on a five-acre plot in 1971. The KWT built a simple but magnificent building within a year. Since then the college has been achieving all-round progress. Prof. G. V. Bhat, the founder principal of the college dedicated his mind and body, heart, and soul for the establishment and development of the college. The College could have a deep and far-reaching image under his able leadership - both academic and organizational. Prin. G. V. Bhat was assisted ably by Prof. S. N. Nayak who became the principal of the college after the retirement of Prin. G. V. Bhat in 1994. The College management has provided adequate infrastructural facilities such as an independent library building, auditorium, playground, canteen building, principal's quarters, the guest house, etc and maintained the policy of non - interference in the day - to - day academic administration. Shri. S. P. Kamat, an eminent lawyer, noted philanthropist and educationist, managing or associated with many educational and social service organizations is the Chairman of the KWT and also the Governing Body of the college. Shri. S. P. Kamat, the Chairman, has been a source of inspiration for the staff and students for the constant pursuit of excellence. He keeps visiting the college and enlightening students with his vision and ideas.

GREEN AUDIT

The Uttara Kannada Jilla Vijnana Kendra established in the year 2003 has been actively involved in creating scientific temperament among people and providing scientific input to the institutions in the district. One of the most important activity has been assisting the Karnataka Pollution Control Board in providing awareness and guiding them in the needy times. Also we have been assisting the district administration on issues related to environment. Our members are drawn from various fields of science and environment experts from Universities, Colleges and officials retired after prolonged service in different departments, both central and state.

Divekar College of Commerce located west of National Highway on the sea shore has been catering for the needs of the students for nearly five decades. The institution was established by the great educationist and poet commonly called as 'Chutuku Bramha' Shree Dinakar Desai, a person who was known for educating the rural needy and one of the specialty of the Institutes established by him is huge premises that caters for the overall development of the children with a healthy environment.

The science center has been associated with the College ever since we established the center and have been organizing various activities in the college that include a state level seminar, environment day, Ocean day, Water day etc. We prefer this institution for our activities to showcase the environment friendly Institution for others to follow suit.

As a part of our activity our team of experts visited the College to survey the green credits to prevent carbon footprints. Our observations are as under.

1. **Air flow management:** The building is constructed in such a way that there is scope for free flow of air into almost all the class rooms that artificial electric appliances such as fans, coolers and AC are not required in the rooms. Though

Report of the expert committee to examine the environment status of Divekar College of Commerce Karwar

The team of experts of Uttara Kannada Jilla Vijnana Kendra Karwar visited the Divekar College of Commerce on 5.05.20 and inspected the environment management and green audit in the campus. Following is the brief report:

1. **Light** : The entire premises and the campus is well lit and there is no need of artificial/electric light during the college hours. Thus energy wastage for providing light is minimum to nil. Only during extraordinary circumstances of heavy rains and clouds lights are used.
2. **Air flow**: Broad window and large doors cater for the wind flow in view of their west-east direction. Therefore though fans are fitted for extra-ordinary circumstances they are not used in normal circumstances. Thus energy is saved.
3. **Sanitation**: The institution is equipped with good toilets separately for ladies and gents thus a clean campus is maintained.
4. **Solid waste management**: The entire campus is maintained plastic free and provisions are made to collect the biodegradable solid waste in the form of pits. The plastic waste is segregated and sent to municipality.
5. **Biodiversity and greenery**: The institution is well aware of the importance of regional biodiversity and has planted the local varieties of plants with most dominant coconut trees. Beautiful garden is maintained. Large number of birds and other animals can be seen in the campus.
6. **Soil conservation**: In order to prevent soil erosion the ground grass and vegetation is regularly trimmed and maintained.

It can be concluded from the inspection that the College has been looking after the environmental issued with great concern and can be called as a Green Institution.
