### Policy Document on the Green Campus:

A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of mankind.

Committees formed:

1. Principal of the college- Chairperson
2. IQAC Coordinator- Secretary
3. Faculty Representative nominated by the Principal
4. Student Representative- General Secretary of the college
5. Non-Teaching Staff Representative- Office Superintendent
6. Parent Representative- Secretary of the Parent Teacher Association
7. Industry Representative- Member of Alumni Association

Thus in view of this, the committee will plan and execute to:

- Seek views of all the Stakeholders to make the Green Campus initiative functional throughout the year.
- Conduct the Campus' environmental impacts to identify the targets for improvements.
- Establish a Green Campus Environmental Ethic Awareness campaigns.
- Green Campus is a Cleaner, Safer and Healthier Place to Live and Work.
- Organize Awareness Programs for the students, faculty and society.
- Phase out the CFL and conventional light source such as bulbs and tube lights, halogen and mercury street/campus lights and get them replace by the LEDs.
- Conduct an Annual Green, Environment and Energy Audit.
- Purchase only Energy Efficient Computers viz: "ENERGYSTAR" or any other equivalent.
- Establish public/private partnerships with personnel from federal, state, and local environmental agencies, utilities, and the business community.
- Evaluate daily operations in terms of pollution prevention, waste stream management, and energy efficiency reducing, reusing, recycling, and repairing wherever possible.
