Student Council

Introduction:

Student council is students' body which is primarily framed for having student representation in the management and student development initiatives. The students are selected for the committee from all i.e. 1st, 2nd & 3rd year students. The council members are closely monitored by the Class Mentor (Faculty member) to keep the council running in an organized manner. The council meets on the frequent basis to discuss various initiatives and plan the events for student betterment programs, and delegate various roles to be played by the members.

The council's role can be broadly classified in to 2 categories to meet the needs Academic & Administrative of our students.

Academics:

The council members organize various training & simulation programs to assist other students by providing them the information, assistance in registration processes of various competitions held within and outside college and also organizing fests and summits as host to other institutions.

The scope of College student's council is as follows:

Advisory

The student's council with the help of its student members plays a vital role as an advisory body to the management of the college in taking up the decisions related to academics, organizing competition and so on. The students meet frequently to conduct meetings and update the management about the periodic progress taking place.

Simulation programs:

The students take initiatives to conduct different competitions from academics to cultural, to provide the other students, a platform to exhibit their talents and to be aware with the competitive environment at state and national level.

Study Group:

The main objective of the college is to achieve Excellency in academics, for which the student forum study group among themselves with a mentor taking initiative to help them in achieving the goal. Students are divided into groups with one or two mentors giving attention to the students who are involved in Sports, NSS, and Cultural and under performers.

System of class representatives:

The student class is closely monitored by the lecturers and respective Departments with the help of a Class representative appointed from among the students on the basis of multi-tasking abilities and academic performance. The class representative forms a strong link between the students and their respective departments which facilitates smooth conduct of two-way communication
