

## 2.2.1 The institution assesses the learning levels of the students and organises special Programmes for advanced learners and slow learners.

YES, College distinguishes advanced learner and slow learners on the basis of the overall performance of students in academic progress, However, in the post enrolled period college took innovative steps such as collaborative learning and personal interaction with students about their area of interest, special skills acquired, knowledge development session, etc.

The academic performance in the previous academic year is a good criterion to identify the slow and advanced learners.

The IQAC maintains separateregister for each class with details such as marks obtained by students in the previous examination and subjectsfor the Program.

The class mentor of the concerned classesprepares list of the slow and advanced learners to bridge up the knowledge gap of the enrolled students.

Strategies used for Advanced Learners.

- The Advanced learners are given guidance to register in various courses such as **CA foundation, IBPS Couching, banking exam , other competitive exams.**
- Many Special workshop, conference has conducted for students in college campus to enhance skills and knowledge. Students participate in **international and national seminars and workshops** and some of them **present papers** in these seminars.
- The college has skill lab which **offer couching classes for PGCET, CAT, JRF ,NET** and the percentage of students passing **PGCET of MBA and M.COM** is relatively high.
- They get **financial support for their academic feesthroughvarious scholarship** sponsored by **KWT ,Scholarship under state government , and from non -government bodies on Merit Basis**

- They get academic motivation and guidance under college staff **for walk in interviews.**
- Every year annual day highest score for the academic year are given **cash awards, medals, merit certificates and other recognitions.**
- Advanced learners are encourage to represent the college in **National and state level intercollegiate competitions** and many won the prizes.
- Open access facility for advanced learners in the library.
- More books are provided to these students.
- College conduct special **quiz competitions , debate and group discussions** to involved these student in more curricular activities
- Advanced learners get into **peer teaching.**

### **Strategies for Slow Learners**

Under IQAC program. Slow learners are identified in each subject and given special classes by their concerned teachers to take increase students' academic performance. The special remedial measures are taken by the college for overall development of slow learners' students such as

- **Special Remedial classes** are arranged on the specific subjects, on basis of need of students.
- Through the practice of **class representatives'** students are taught by students themselves and areas of difficulties faced by students are solve.
- The teachers take special lessons under IQAC program to bridge the knowledge gaps of students with lesser exposure to advanced studies and consideration of basic concept of subjects.
- College Faculty with library committee prepare and distribute **Teaching-Learning Materials** that suit the requirements of slow learners.
- Slow learners are engage in **various clubs** to increase their involvement in the curricular activities.
- **Group assignments** are given to slow learners. Personal counselling and. Focused interactions are held with parents to actively involve them in the learning process.
- **financial support** to purchase **study materials and books** are given to weaker financial background students

**The following are the student's participation in different levels of competitions**
